

THE WINNING EDGE

DEXTRANS WORLDWIDE GROUP

INTRODUCING THE NEW DEXTRANS INTRANET

*One platform. One community.
Endless possibilities.*

A fresh look, smarter navigation, and a more intuitive experience, the new Dextrans Intranet is here! Designed to help you find information faster and stay connected across the Dextrans Group, the revamped platform is more than just an upgrade. It's your new digital hub for collaboration, communication, and everything you need to stay informed.

Explore exciting new features, including the Personal Profile Directory (PPD), where employees can create and manage their profiles to help colleagues connect. And that's just the beginning. Dive in, discover new content and tools, and learning experience through Dextrans Online training. A workplace that's built to keep us connected, engaged, and growing together.

INSIDE THE OPERATION

Every successful logistics project is a testament to careful planning, seamless coordination, and operational expertise. At Dextrans Worldwide Group, we take pride in delivering tailored solutions that meet the unique requirements of every shipment—no matter how complex the challenge.

Between April to June 2026, the Dextrans team successfully completed the handling of a specialized shipment for the palm oil manufacturing industry. The project involved the safe stripping of cargo from a 40-foot Open Top (OT) container, with every stage from planning to execution completed safely, efficiently, and on schedule through close coordination and strict adherence to safety procedures.

OUT & ABOUT: CONNECTING ACROSS BORDERS

In June, our Indonesia Country Manager also welcomed representatives from one of our valued Japanese agents for a series of port visits in Jakarta. The visit showcased Indonesia's port facilities, strengthened our partnership, and reaffirmed our shared commitment to delivering reliable logistics solutions worldwide.

Our Indonesia team and representatives from our Japanese agent during their port visit in Jakarta, June 2026, strengthening partnerships through collaboration and knowledge sharing.

Welcoming our Chinese agents at Indonesia's Office

Visits like these play an important role in building trust and fostering closer collaboration with our global network. By sharing operational expertise and gaining a deeper understanding of each other's capabilities, we continue to create greater value for our customers and partners.

Together, these initiatives reflect Dextrans Worldwide Group's commitment to operational excellence, strong international partnerships, and delivering reliable logistics solutions across the global supply chain.

BUILDING SMARTER, MORE CONNECTED SUPPLY CHAINS

Supply chains have become more dynamic than ever before. As businesses navigate changing market demands, global disruptions, and increasing customer expectations, logistics providers must deliver more than just transportation—they must provide visibility, flexibility, and end-to-end solutions that keep goods moving efficiently.

Technology is playing a vital role in this transformation. From real-time tracking and data analytics to digital collaboration platforms and process automation, modern supply chains are becoming smarter, enabling businesses to make informed decisions, improve operational efficiency, and respond more quickly to change.

DRIVING INNOVATION THROUGH SMART LOGISTICS

At Dextrans Worldwide Group, we understand that every supply chain is unique. That's why we work closely with our customers to develop tailored logistics solutions that support their business goals. By combining industry expertise with reliable transportation services and integrated logistics capabilities, we help customers manage complex supply chains with confidence.

Innovation continues to shape the way we operate. By embracing digital tools and continuously improving our processes, we enhance shipment visibility, streamline communication, and strengthen coordination across our global network. These efforts help us deliver reliable, efficient logistics solutions that meet our customers' evolving needs.

"Ensuring safe and efficient vessel cargo operations through expert supervision."

As supply chains continue to evolve, Dextrans remains committed to embracing new technologies and innovative solutions that create lasting value. By combining operational excellence with a customer-first approach, we are helping build smarter, more resilient supply chains for the future.

FOOTBALL FEVER TAKES CENTER STAGE

produced by: William Loekito

The FIFA World Cup 2026 has once again captured the attention of millions around the globe, bringing together 48 nations in the tournament's biggest edition yet. Hosted across the United States, Canada, and Mexico, the competition has delivered unforgettable moments, emerging stars, and thrilling matches that celebrate the passion and spirit of football.

Beyond the excitement on the pitch, the World Cup is a reminder of the power of teamwork, resilience, and determination. Just as every successful team relies on trust and collaboration to achieve its goals, these same values drive us every day at Dextrans. As fans cheer on their favourite teams, we celebrate the shared spirit of unity and excellence that connects people around the world.

THE BOOMERANG AFFECT : COMING HOME TO DEXTRANS

Employees often leave to explore new opportunities and gain fresh experiences. Along the way, they discover different work cultures, leadership styles, and ways of doing business. Sometimes, that journey helps them appreciate what they valued most about their previous workplace—the supportive culture, the people, and the sense of belonging.

Like many professionals, Candace ("Candy") explored new career opportunities before finding her way back to Dextrans. Over the past three years, she has continued to grow, contribute, and make a positive impact as part of the team.

Candace with Dextrans Worldwide Philippines Team

Today, Candy remains a valued member of the Dextrans family, bringing her experience, dedication, and positive spirit to the team every day. Her journey is a reminder that sometimes the best place to grow is where you truly feel at home.

From the world stage to our workplace, celebrating the teamwork, passion, and unity that bring us together.
